VISO

VISO

YOUR VISION. YOUR SOUND. YOUR STYLE.

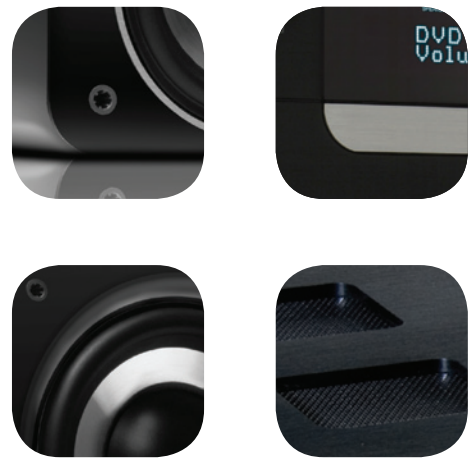

Welcome to the world of VISO. Where bold design meets quality engineering. Where compromise is not allowed. Where you can have it all.

Small Wonder

Engineered to pack a big punch without the bulk, the VISO Series brings new meaning to home theatre 'all-in-one'. VISO delivers the superb audio and video performance that one has come to expect from NAD in a small, stylish package. At the heart of each compact VISO system is NAD's dedication to high quality components, solid construction, and great sound.

Pure Simplicity

The VISO system is easy to set up and simple to use right out of the box. Flexible custom installation options make VISO ideal for most sophisticated home theatre setups. The VISO Series also offers the freedom to mix and match a receiver system with perfectly optimized VISO speakers to suit your needs.

2 x 50 watts, 20Hz-20kHz, with <math><0.08\%</math> THD into 8 ohms, both channels driven simultaneously (NAD Full Disclosure Power)
2 x 60 watts FTC power

VISO TWO

DVD/CD Receiver

Get high performance and realistic surround sound with this streamlined 2.1 channel system. VISO TWO delivers advanced video technology and dynamic sound to bring your movies and music to life.

- Plays DVD-Audio, DVD-Video, VCD, SVCD, CD, CD-R, CD-RW, MP-3, J-PEG, WMA, DivX
- HDMI digital video output with upscaling to 720p and 1080i

VISO FIVE

DVD/CD Surround Sound Receiver

5 x 45 watts, 20Hz-20kHz, with <math><0.08\%</math> THD into 8 ohms, both channels driven simultaneously (NAD Full Disclosure Power)
5 x 60 watts FTC power

For serious home theatre without the fuss, the VISO FIVE delivers. With advanced theatre quality video and uncompromising surround sound, home theatre doesn't get much better than this.

- Disc formats and HDMI upscaling same as VISO TWO
- Dolby Digital, DTS, Pro-Logic II, EARS, and Stereo Enhanced Surround Modes
- 5.1 input for future surround mode upgrades

VISO is taking the world by storm.
